(viii) Conservation Element 8 - Monitoring and Reporting. The Conservation Foundation will be responsible for all management, monitoring, and reporting to the USFWS in regard to compliance with the Conservation Elements. Through its articles of incorporation, the Conservation Foundation will establish its authority and responsibility for ensuring that the Conservation Easement remain undisturbed, for the benefit of Pima Pineapple cactus and adjacent lot owners.

by Section 3.3.2 of the BA, CFPO survey efforts that have been completed in the previous calendar year required by Conservation Element 7, and the Conservation Easement management activities, including any necessary restoration efforts, as required by the Conservation Elements. The annual report will provide documentation of compliance with the Conservation Elements and will document signs of trespass into the Conservation Easement and the steps taken to correct any such trespass. Attachments to the report will include copies of all site inspection report forms, maintenance activity reports, Pima Pineapple cactus monitoring field data sheets, and labeled copies of photographs taken from established, permanent photo-points. The annual monitoring report will also provide a cumulative summary of the Covered Property's clearing activities, demonstrating compliance with the overall grading limitations allowed by the BA and the Specific Plan. The annual report will be submitted on a standard form and will include as attachments, all necessary documentation.

- (d) In the case of a Parcel restricted by a Tract Declaration to a Land Use Classification other than Single Family Residential Use, Cluster Residential Development Use or Condominium Development Use, the number of Memberships and Assessments shall be determined by Declarant and included in the applicable Tract Declaration. If only part of a Parcel restricted by a Tract Declaration to a Land Use

Classification other than Single Family Residential Use, Cluster Residential Development Use or Condominium Development Use is subdivided into Lots or is subjected to a condominium declaration, then the number of Memberships attributable to the part of the Parcel which is not subdivided or subjected to a condominium plat and condominium declaration shall be the number of Memberships allocated to all of the property subject to such Tract Declaration less the number of subdivided Lots and Condominium Units within such property.

Each such Membership shall be appurtenant to and may not be separated from ownership of the Lot or Parcel to which the Membership is attributable.

Section 6.2. Voting. The Association shall have two classes of voting Memberships:

Class A. Class A Membership shall be all Memberships, except the Class B Membership held by the Declarant, and each Owner shall be entitled to one vote for each Class A Membership held by such Owner and for which such is paying a full Assessment.

Class B. The Class B Memberships shall be all Memberships held by Declarant. The Declarant shall be entitled to three (3) votes for each Membership held by the Declarant. The Class B Membership shall cease and be converted to Class A Memberships on the happening of the first of the following events:

- a) The first day of January, 2025; or
- b) At any time by written notice to the Association that Declarant wishes to convert all Class B Memberships to Class A Memberships; or
- c) Declarant no longer owns property in Sycamore Canyon.

Section 6.3. Right to Vote. No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Membership must be cast as a unit, and fractional votes shall not be allowed. In the event that a Membership is owned by more than one person or entity and such owners are unable to agree among themselves as to how to vote on the matter in question. If any Member casts a vote representing a certain Membership, it will

thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other owners of the same Membership unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast for a particular Membership, none of said votes shall be counted and all said votes shall be deemed void.

Section 6.4. Membership Rights. Each Member shall have the rights, duties and obligations set forth in this Declaration and such other rights, duties and obligations as are set forth in the Articles and Bylaws, Sycamore Canyon Rules and Design Guidelines as the same may be amended from time to time.

Section 6.5. Transfer of Class A Membership. The rights and obligations of the owner of a Class A Membership in the Association shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership to an Owner's Lot or Parcel, as applicable, and then only to the transferee of ownership to the Lot or Parcel. A transfer of ownership to a Lot or Parcel may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage or deed of trust of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot or Parcel shall operate to transfer the Membership(s) appurtenant to said Lot or Parcel to the new Owner thereof.

Section 6.6. Suspension of Voting Rights. Any Member who fails to pay the Annual Assessments, Special Assessments or Maintenance Charges provided herein within sixty (60) days of the due date thereof, shall have all voting rights as provided herein suspended until such amounts plus any accrued interest, attorney's fees and/or collection costs are paid in full.

ARTICLE VII COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

Section 7.1. Creation of Lien and Personal Obligation of Assessments and Maintenance Charges. Each Owner, but not including the Declarant, by acceptance of a Deed therefor (whether or not it shall be so expressed in such Deed) is deemed to covenant and agree, to pay to the Association the following assessments and charges: (1) Annual Assessments established by this Article VII, (2) Special Assessments for capital improvements or other extraordinary expenses or costs established by this Article VII, (3) Maintenance Charges established by Article X, Sections 10.2 and 10.3, all such Assessments to be established and collected as hereinafter provided. The Annual Assessments, Special Assessments and Maintenance Charges, together with interest, incidental and taxable costs, and

reasonable attorney's fees, and all other sums which may become due and payable to the Association by an Owner shall be a charge on the Lot or Parcel and shall be a continuing servitude and lien upon the Lot or Parcel against which each such Assessment is made. The Annual and Special Assessments against each Lot or Parcel shall be based on the number of Memberships appurtenant to the Lot or Parcel (including, without limitation, Memberships attributable to Dwelling and Condominium Units located on such Lot or Parcel). Each such Annual and Special Assessment and Maintenance Charge, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Lot or Parcel at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them. However, such exemption does not apply to the obligation of the successor in title of the Owner to correct any violation of the Declaration, the Association Rules, the Sycamore Canyon Rules, or the Design Guidelines by the Owner pursuant to Article XV, Section 15.16; however, the transfer of title shall not extinguish any Assessment Lien except a transfer pursuant to foreclosure of a superior lien in which the Assessment Lien has been extinguished by such foreclosure proceeding.

Section 7.2. Annual Assessments. In order to provide for the uses and purposes specified in Article IX hereof, including the establishment of replacement and maintenance reserves, the Board in each year, commencing with the year in which the first Tract Declaration is recorded, shall assess against each Lot and Parcel which is Assessable Property an Annual Assessment. The amount of the Annual Assessment, subject to the provisions of Section 4 hereof, shall be in the sole discretion of the Board but shall be determined with the objective of fulfilling the Association's obligations under this Declaration and providing for the uses and purposes specified in Article IX.

Section 7.3. Determination of Assessment. The amount of any Annual or Special Assessment to be levied against each Lot and Parcel shall be determined as follows:

- (a) For purposes of this Section 7.3, the "Membership Assessment" shall mean the total amount of any Annual Assessment or Special Assessment to be levied against all Lots and Parcels which are Assessable Property divided by the total number of memberships attributable to the Assessable Property.
- (b) Except for Lots and Parcels covered by Subsections (c) and (d) and except for Lots and Parcels owned by the Declarant which are exempt from Assessment under this Declaration, each Lot and Parcel shall be assessed an Annual Assessment or Special Assessment, as the case

ENCLOSURE

may be, in an amount equal to the number of Memberships attributable to such Lot or Parcel pursuant to Section 6.1 of this Declaration.

- (c) The Owner of a Lot shall be assessed 25% of the amount equal to the number of Memberships attributable to his Lot multiplied by the Membership Assessment until the earlier of (i) the completion of the first Dwelling Unit on the Lot, (ii) six months from the commencement of construction of the first Dwelling Unit on the Lot, or (iii) eighteen (18) months from the date the title is first transferred from Declarant to an Owner.
- (d) The Owner of a Parcel restricted under a Tract Declaration to any uses shall be assessed at such rates and at such times as set forth in the Tract Declaration.

For the purposes of this Section 7.3, a Dwelling Unit or other building shall be deemed completed when, in the opinion of the Design Review Committee, the Building is ready for occupancy or, in the case of a commercial rental building, ready for the making of interior Tenant improvements. If the rate of Assessment for a Parcel or Lot increases during the period to which an Annual Assessment or Special Assessment is attributable, the Assessment shall be prorated between the applicable rates on the basis of the number of days in the period that the Owner qualified for each rate. Annual Assessments may be collected on a monthly, quarterly or annual basis, and Special Assessments may be collected as specified by the Board unless otherwise determined by the resolution of the Members of the Association approving the Special Assessment.

Section 7.4. Maximum Annual Assessments. The Annual Assessment to be established by the Board may not exceed a certain amount, hereinafter referred to as the "Maximum Annual Assessment", which Maximum Annual Assessment shall be determined and shall vary in accordance with the following provisions:

- (a) Until January 1 of the year following the recordation of the first Tract Declaration, the Maximum Annual Assessment against each Owner shall be Six Hundred Dollars (\$600.00) per membership. *\$50/110*
- (b) Commencing with the year immediately following recordation of this Declaration, and continuing each succeeding year thereafter, the Maximum Annual Assessment shall be increased effective January 1 of each such year without a vote of the Membership by the amount of ten percent (10%) on a cumulative basis.

10 / 10 / 10
65

(c) From and after January 1 of the year immediately following the recordation of this Declaration, the Maximum Annual Assessment may be increased above the Maximum Annual Assessment otherwise determined under Subsection (b) above by a vote of two-thirds (2/3) of the Members who are voting in person or by proxy at a meeting duly called for such purpose.

Section 7.5 Special Assessment for Capital Improvements and Extraordinary Expenses. In addition to the Annual Assessments authorized above, the Association may levy, in any Assessment Period, a Special Assessment applicable to that period only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, or for the purpose of defraying other extraordinary expenses, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Members who are voting in person or by proxy at a meeting duly called for such purpose. The provisions of this Section are not intended to preclude or limit the assessment, collection or use of Annual Assessments for the aforesaid purposes.

Section 7.6. Special Use Fee. The Association, as an Aggregator, may enter into one or more agreement with utility service, cable television service and/or trash collection service providers or companies for the purpose of providing service to Sycamore Canyon. The cost of any and all such services shall be a Special Use Fee subject to the provisions of Section 9.4 herein. In the case of Lots with a land use classification of Single Family Residential that are transferred in title from a Developer to an individual Owner when the residence is complete, the Special Use Fee shall commence at close of escrow. Terms of any and all such services to Lots and Parcels with land use classification other than Single Family Residential shall be determined at the discretion of the Board. The Board of Directors shall set the Special Use Fee each year and shall give notice to the Association Members in the same manner as for the Annual Assessment. In the event that there are insufficient funds in the Special Use Fee account to cover costs associated with providing any and all such services for any reason, the Association shall advance the necessary funds to cover such costs and will be reimbursed from the applicable Members within a reasonable period of time as determined by the Board of Directors.

Section 7.7. Notice and Quorum for An Action Authorized Under Sections 7.4 and Section 7.5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.4(c) or 7.5 of this Article shall be sent to all Members no less than thirty (30) days nor more than sixty (60)

days in advance of the meeting at the addresses of such Members on the records of the Association. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes (exclusive of suspended voting rights) of each class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the initially scheduled meeting.

Section 7.8. Establishment of Annual Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period shall commence upon the recordation of this Declaration and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period by giving notice thereof to the Members of the Association.

Section 7.9. Rules Regarding Billing and Collection Procedures. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making the Assessments provided herein and for the billing and collection of the Annual and Special Assessment and the Maintenance Charges imposed pursuant to Article X, Section 10.2 and 10.3, provided that said procedures are not inconsistent with the provisions hereof. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefore shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) days written notice prior to such foreclosure or enforcement, at the address of the Member on the records of the Association, that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Membership changes during an Assessment Period successor Owners of Lots or Parcels shall be given credit for prepayments, on prorated basis, made by prior Owners. In case the owner of a Membership becomes liable for payment of an increased sum pursuant Section 3 of this Article during the Assessment Period, he shall notify the Association but his failure to notify the Association shall not relieve him of the liability for such amounts. The amount of the Annual Assessment against Members who become such during an Assessment Period upon the Recording of a Tract Declaration shall be prorated and such new Members shall be liable for a proportionate share of any previously levied Special Assessment

if such Assessment are paid in installments. Members must notify the Association of a change of mailing address when applicable.

Section 7.10. Collection Costs and Interest on Delinquent Assessments. Any Assessment or installment thereof not paid when due shall be deemed delinquent and shall bear interest from thirty (30) days after the due date until paid at a rate equal to the greater of (a) twelve percent (12%) per annum or (b) the then prevailing interest rate on loans insured by the Federal Housing Association, or (c) the then prevailing interest rate on loans guaranteed by the Veterans Administration, and the Member shall be liable for all taxable and incidental costs, including attorney's fees, which may be incurred by the Association in collecting the same. The applicable interest rate on such delinquent amounts shall be determined on a daily basis. Late fees may be established by the Board to be adjusted from time to time. The Board may also record a Notice of Delinquent Assessment against any Lot or Parcel as to which any such amount is delinquent and constitutes a lien and may establish a fixed fee to reimburse the Association for the Association's cost in Recording such Notice, processing the delinquency and Recording a notice of payment, which fixed fee shall be treated as a collection cost of the Association secured by the Assessment Lien.

Section 7.11. Evidence of Payment of Annual and Special Assessments and Maintenance Charges. Upon receipt of a written request by a Member or any other person, the Association, within a reasonable period of time thereafter shall issue to such Member or other person a written certificate stating (a) that all Annual and Special Assessments and Maintenance Charges (including interest, costs and attorney's fees, if any, as provided in Section 7.9 above) have been paid with respect to any specified Lot or Parcel as of the date of such certificate, or (b) if all Annual and Special Assessments and Maintenance Charges have not been paid, the amount of such Annual Special Assessments and Maintenance Charges (including interest, costs and attorney's fees, if any) due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or lender on, the Lot or Parcel in question.

Section 7.12. Property Exempted from the Annual and Special Assessments and Assessment Lien. Exempt Property shall be exempted from the assessment of the Annual and Special Assessments and, except as provided in Article X, Section 10.3, from Maintenance Charges and the Assessment Lien; provided, however, that in the event any change of ownership of Exempt Property results in all or any part thereof becoming Assessable

Property in any year, the same thereupon shall be subject to the assessment of the Annual and Special Assessment and, if theretofore exempt therefrom, Maintenance Charges (prorated as of the date such Exempt Property became Assessable property) and the Assessment Lien. In the event that the amount of Assessments collected by the Association shall be insufficient to pay for the operation and reserve requirements of the Association, the Declarant shall be responsible to fund such deficiency or shortfall amount to or for the benefit of the Association.

Section 7.13. Working Capital Fund. To ensure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each person or entity who purchases a Lot which is restricted by a Tract Declaration to Single Family Residential Use, Cluster Residential Use, Commercial Use or Condominium Development Use from a Developer shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the current Annual Assessment for the Lot, and each person or entity who purchases a Lot or Parcel restricted by Tract Declaration to a use other than Single Family Residential Use, Cluster Residential Use, Commercial Use or Condominium Development Use from the Declarant shall pay to the Association at the time such Lot or Parcel no longer qualifies for a reduced rate of Assessment pursuant to Section 7.3 of this Declaration a sum equal to one-sixth (1/6th) of the current Annual Assessment for such Lot or Parcel. Funds paid the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under this Declaration. Payments made pursuant to this Section shall be nonrefundable and shall not be offset or credited against or considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration. 16.67%

Section 7.14. Transfer Fee. Each person or entity other than a Developer who purchases a Lot or Parcel shall pay to the Association immediately upon becoming the Owner of the Lot or Parcel a transfer fee in such amount as is established from time to time by the Board.

Section 7.15. Special Maintenance Activities and Special Maintenance Costs Assessments.

- (a) Where the Association has undertaken or in the future undertakes the responsibility to manage, maintain, repair, replace, repave, resurface, operate and/or pay any and all liability claims and/or liability insurance deductibles arising out of the condition or use of and/or pay any and all liability insurance premiums that are related to or calculated based upon particular risks associated with or characteristics of private streets or private roadways or any open space,

recreational or other common facilities or any access gates (collectively, "Special Maintenance Costs"), the Association, when such private streets or private roadways (or appurtenant equipment and facilities) or open space, recreational or other common facilities or access gates, exclusively or disproportionately benefit the Owners of Lots within a particular portion of the Covered Property, shall assess all (or such appropriate portion as the Association shall determine in its sole discretion) of the Special Maintenance Costs solely against the Lots within such portion of the Covered Property which shall be secured by the lien for Assessments as described herein ("Special Maintenance Costs Assessments"). Such Special Maintenance Costs Assessments may also include amounts to establish and fund reserves and to compensate the Association for its reasonable allocated overhead expense in connection therewith as the Association may deem reasonable and appropriate. One of the purposes of this Section 7.15 is to establish a mechanism whereby various facilities intended and designed solely or primarily for use by the Owners of Lots within a particular portion of the Covered Property may be owned and maintained by the Association at the sole and primary expense of such Owners rather than require formation of a subsidiary homeowners' association or Sub-Association to undertake such ownership and maintenance.

- (b) In addition to any Assessment arising hereunder, the Association shall have the authority to levy and collect Special Maintenance Costs Assessments from time to time against one or more portions of the Covered Property (i) for costs and expenses incurred and for reasonable estimated reserves in the event the Association has or assumes applicable maintenance responsibilities as provided in this Section 7.15, (ii) for Special Maintenance Costs arising by or attributable to the special characteristics or needs of a particular portion of the Covered Property, or (iii) if the Owner(s) of a particular portion of the Covered Property contracts with the Association for the Association to provide particular maintenance services in regard to such portion of the Covered Property (collectively, "Contracted Maintenance Costs"). As conditions to the Association assuming any maintenance or other responsibility as provided in this Section 7.15, with respect to any Common Areas that immediately prior to such assumption shall be the responsibility of a subsidiary homeowners' association or Sub-Association, (A) the Association shall have the right to approve, in its sole discretion, the physical

and title condition of the Common Areas and the amount of reserves (if any) to be transferred by the subsidiary homeowners' association or Sub-Association to the Association (which reserve approval may be satisfied if the Association shall accept a reasonable assurance such as by Special Maintenance Costs Assessments to be levied or otherwise for increasing the reserve amount to a level it shall deem reasonable in its sole discretion) and (B) the Owners located within such subsidiary homeowners' association or Sub-Association shall be deemed to have disclaimed and waived in favor of the Association any and all claims of refund for assessments that may have been paid to a subsidiary homeowners' association or Sub-Association by such Owners. The Association also shall be entitled to receive from the subsidiary homeowners' association or Sub-Association in the context of such an assumption of responsibility the amount of operating and savings account money/investments, in addition to reserve amounts, which shall be a credit against inadequate reserves and/or future Special Maintenance Costs Assessments. In the event that a subsidiary homeowners' association or Sub-Association shall fail to maintain any of its common areas to a reasonable standard (as determined by the Association in its reasonable discretion), whether or not such common areas are owned or controlled by the Association, the Association shall have the right, but not the obligation, to enter upon the respective common areas and adjacent properties (without such entry constituting a trespass) and take action to correct such lack of maintenance and thereafter levy a Special Maintenance Costs Assessment against the Lots within such subsidiary homeowners' association or Sub-Association. Notwithstanding the foregoing, so long as a Developer shall own one (1) or more Lots within the Covered Property as to which a Special Maintenance Costs Assessment shall be established by the Association, such Developer shall be liable to pay to the Association, at such times and from time to time as the Association, through the Board, shall determine in its sole discretion, the amount of any shortfall difference between the amount of Special Maintenance Costs Assessments actually collected by the Association for such portion of the Covered Property and the actual Contracted Maintenance Costs incurred for such portion of the Covered Property.

ARTICLE VIII

ENFORCEMENT OF PAYMENT OF ANNUAL AND SPECIAL ASSESSMENTS, SPECIAL
MAINTENANCE COSTS ASSESSMENTS AND MAINTENANCE CHARGES AND OF
ASSESSMENT LIEN

Section 8.1. Association as Enforcing Body. The Association, as the agent and representative of the Members, shall have the right, at its option, to enforce the provisions of this Declaration. However, if the Association shall fail or refuse to enforce this Declaration or any provision hereof for an unreasonable period of time after written request to do so, then any Member may enforce the provisions of this Declaration on behalf of the Association by any appropriate action, whether at law or in equity.

Section 8.2. Association's Remedies to Enforce Payment of Annual and Special Assessments, Special Maintenance Costs Assessments and Maintenance Charges. If any Member fails to pay the Annual or Special Assessments or installments when due, or the Special Maintenance Costs Assessments, or installments when due, or the Maintenance Charges assessed pursuant to Article X, Sections 10.2 and 10.3, the Association may enforce the payment of the Annual or Special Assessments, the Special Maintenance Costs Assessments or Maintenance Charges by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Association does not prejudice or waive its rights to exercise the other remedy):

- (a) Bring an action at law and recover judgment against the Member personally obligated to pay the Annual or Special Assessments, the Special Maintenance Costs Assessments or Maintenance Charges;
- (b) Foreclose the Assessment Lien against the Lot or Parcel in accordance with the then prevailing Arizona law relating to the foreclosure of realty mortgages (including the right to recover any deficiency) and the Lot or Parcel may be redeemed after foreclosure sale as provided by law. The Association shall have the right to bid at any foreclosure sale.

Section 8.3. Subordination of Assessment Lien to First Mortgage or Deed of Trust; Priority Of Lien. The Assessment Lien provided for herein shall be subordinate to any first mortgage lien held by, or first deed of trust of which the beneficiary is, a lender who has lent funds with the Lot or Parcel as security, or held by the lender's successors and assigns, and shall also be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly made superior. Except as above provided, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which in any manner

may arise or be imposed upon each Lot or Parcel after the date this Declaration is Recorded. Sale or transfer of any Lot or parcel shall not affect the Assessment Lien; provided, however, that if the sale or transfer is pursuant to foreclosure of a mortgage or deed of trust to which the Assessment Lien is subordinate, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot or Parcel free of the Assessment Lien for all Annual and Special Assessments, Special Maintenance Costs Assessments, Maintenance Charges, and Special Use Fees that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; but upon the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure, the Assessment Lien immediately shall become and remain superior to any and all other charges, liens or encumbrances (except liens for taxes or other public charges which by applicable law are expressly made superior) and such mortgage or deed of trust foreclosure sale purchaser or grantee shall take subject to all Annual and Special Assessments, Special Maintenance Costs Assessments, Maintenance Charges, Special Use Fees, and the Assessment Lien therefor accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

Section 8.4. Costs to be Borne by Member in Connection with Enforcement of Payment of Annual and Special Assessments, Special Maintenance Costs Assessments and Maintenance Charges. In any action taken pursuant to Section 8.2 of this Article, the Member shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Annual and Special Assessments, the Special Maintenance Costs Assessments and Maintenance Charges together with interest and the Association's incidental and taxable costs including collection costs and attorney's fees, including those costs and fees specified in Article VII, Section 7.10. The Assessment Lien shall also secure payment of any other sums which may become payable to the Association by an Owner pursuant to this Declaration.

ARTICLE IX USE OF FUNDS; BORROWING POWER

Section 9.1. Purposes For Which Association's Funds May be Used. The Association shall apply all funds and property collected and received by it (including the Annual and Special Assessments and the Special Maintenance Costs Assessments; fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of Sycamore Canyon and the Members and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land,

properties, improvements, facilities, services, projects, programs, studies and systems, within or without Sycamore Canyon which may be necessary, desirable or beneficial to the general common interests of Sycamore Canyon, the Members and the Residents. The following are some; but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: social interaction among Members and Residents, maintenance of landscaping on Common Areas, public right of way, drainage areas within Sycamore Canyon, recreation, liability insurance, communications, education, transportation, health, utilities, public services, safety and indemnification of officers and directors of the Association. The Association also may expend its funds for any purposes for which any municipality may expend its funds under the laws of the State of Arizona or such municipality's charter, including without limitation the payment of ad valorem real property taxes on Common Areas.

Section 9.2. Borrowing Power. The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such periods of time as is necessary or appropriate.

Section 9.3. Association's Rights in Spending Funds From Year to Year. The Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Annual or Special Assessments, the Special Maintenance Costs Assessments, fees or otherwise), and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

Section 9.4. Administration of Special Use Fees. The Association is authorized to bill for, sue for, collect, administer and disburse all Special Use Fees and the payment thereof shall be secured by the Assessment Lien; provided, however, that all Special Use Fees collected shall, if imposed in connection with a particular improvement, be separately accounted for as to each separate improvement pertaining to which they are collected and shall be expended on the particular improvement to which they pertain.

Section 9.5. Insurance. The Association shall maintain insurance against liability incurred as a result of death or injury to persons or damage to property on the Common Areas with minimum bodily injury limits of \$1,000,000.00 per occurrence and minimum property damage liability limits of \$500,000.00 per occurrence or a combined single limit of \$1,000,000.00 per occurrence.

ARTICLE X
MAINTENANCE

Section 10.1 Common Areas and Public Right of Way. The Association, or its duly delegated representatives, shall maintain and otherwise manage all Common Areas, including, but not limited to, the landscaping, walkways, paths, parking areas, drives, recreational facilities, and the roofs, interiors and exteriors of the buildings and structures located upon Common Areas; provided however, the Association shall not be responsible for providing or maintaining the landscaping, structures or other Improvements on any Common Areas which are part of Lots or Parcels unless (i) such landscaping, structures or other Improvements are available for use by all Owners and Residents or are within easements intended for the general benefit of Sycamore Canyon and (ii) the Association assumes in writing the responsibility for such maintenance or such responsibility is set forth in a Recorded instrument as hereinafter provided. The Association shall not maintain areas which (i) Pima County or other governmental entity is maintaining or (ii) are to be maintained by the Owners of a Lot or Parcel pursuant to Article IV, Section 4.2(d) of this Declaration unless the Association elects to maintain such areas and as to which the Association has not previously made such an election to maintain. Specific areas to be maintained by the Association may be identified on subdivision plats Recorded or approved by the Declarant, in Tract Declarations and in Deeds from the Declarant to a transferee of a Lot or Parcel. Failure to so identify such specific areas to be maintained by the Association shall not affect the Association's rights and responsibilities.

The Board shall use a standard of reasonable care in providing for the repair, management and maintenance of the Common Area so that the Sycamore Canyon development will reflect a high pride of ownership. In this connection the Association may, in the discretion of the Board:

- (a) Reconstruct, repair, replace or refinish any Improvement or portion thereof upon Association Land;
- (b) Construct, reconstruct, repair, replace or refinish a road improvement or surface upon any portion of the Common Area used as a road, street, walk, driveway, parking area, except that no permanent improvements shall be made by the Association on any Common Area that is not Association Land and the Association shall provide only maintenance on Common Areas which are not Association Land;

- (c) Replace injured and diseased trees and other vegetation in any Common Area, and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes;
- (d) Place and maintain upon any Common Area such signs as the Board may deem appropriate for the proper identification, use and regulation thereof;
- (e) Do all such other and further acts which the Board deems necessary to preserve and protect the Common Area and the beauty thereof, in accordance with the general purposes specified in this Declaration.

The Board shall be the sole judge as to the appropriate maintenance of all Common Areas and other properties maintained by the Association. In the event any subdivision plat, Tract Declaration or this Declaration permits the Board to determine whether or not Owners of certain Lots or Parcels will be responsible for maintenance of certain Common Areas or public right-of-way areas, the Board shall have the sole discretion to determine whether or not it would be in the best interest of the Owners, Lessees, and Residents of Sycamore Canyon for the Association or an individual Owner to be responsible for such maintenance, considering cost, uniformity of appearance, location and other factors deemed relevant by the Design Review Committee. The Board may cause the Association to contract with others for the performance of the maintenance and other obligations of the Association under this Article X and, in order to promote uniformity and harmony of appearance, the Board may also cause the Association to contract to provide maintenance services to Owners of Lots and Parcels having such responsibilities in exchange for the payment of such fees as the Association and Owner may agree upon.

Section 10.2. Assessment of Certain Costs of Maintenance and Repair of Common Areas and Public Areas. In the event that the need for maintenance or repair of Common Areas and other areas maintained by the Association is caused through the willful or negligent act of any Member, his family, guests or invitees, the cost of such maintenance or repairs shall be added to and become a part of the Assessment to which such Member and the Member's Lot or Parcel is subject and shall be secured by the Assessment Lien. The decision of the Board shall be final and binding as to whether any need for repair is caused by any willful or negligent act of any persons described in the preceding sentence. Any charges or fees to be paid by the Owner of a Lot or Parcel pursuant to Section 1 of this Article X in connection with a contract entered into by the Association with an Owner for the performance of an Owner's maintenance

44-11111-11111

Section 10.3. Improper Maintenance and Use of Lots and
Parcels. In the event any portion of any Lot or Parcel is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots and Parcels or other areas of Sycamore Canyon which are substantially affected thereby or related thereto, or in the event any portion of a Lot or Parcel is being used in a manner which violates this Declaration or any Tract Declaration applicable thereto, the Sycamore Canyon Rules, or the Design Guidelines or in the event the Owner or Lessee of any Lot or Parcel is failing to perform any of its obligations under this Declaration with respect to the maintenance, repair or replacement of the Improvements located on such Lot or Parcel, the Board may by resolution make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give written notice thereof to the Owner by mail to the mailing address of the Lot or Parcel and make demand that corrective action be taken with fourteen (14) calendar days of the date of the notice. If at the expiration of the said fourteen (14) day period the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken, including but not limited to the hiring of an attorney to take action on behalf of the Board, whether by informal pre-suit action or by formal legal proceedings. The costs of any action taken by the Board as set forth herein, including but not limited to incidental and taxable costs, attorney's fees, and any fines assessed against said Owner or his family, guests, invitees, licensees, employees or designees shall be added to and become a part of the Assessment to which the offending Owner and the Owner's Lot or Parcel is subject and shall be secured by the Assessment Lien.

Section 11.1. Establishment. The Declarant shall establish a Design Review Committee to perform the functions of the Design Review Committee set forth in this Declaration and shall adopt the Design Review Committee rules and regulations for the performance of such duties by the Design Review Committee, including procedures for the preparation, submission and determination of the application for any approvals required by this Declaration or any Tract Declaration. Subject to Section 11.4 below, the Design Review Committee shall consist of such number of persons and alternate persons as the Declarant may designate and such persons shall be appointed by the Declarant. The appointees need not be architects, Owners, or Residents and do not need to possess any special qualifications of any type

except such as the Declarant may, in its discretion, require. The Design Review Committee shall hold regular meetings, a quorum for which shall consist of a majority of the Design Review Committee members shall be necessary for any decision of the Design Review Committee. An alternate person, approved by the Declarant, may participate at any meeting at which there is not a quorum of Design Review Committee members present, may constitute a quorum by his (their) presence and shall have all of the authority of a Design Review Committee member while so participating. The Design Guidelines shall interpret and implement this Declaration by setting forth the procedures for Design Review Committee review and the standards for development within Sycamore Canyon, including, but not limited to, architectural design, placement of buildings, landscaping, color schemes, exterior finishes and materials, signage, wall design and similar matters. The Design Guidelines may also include provisions requiring the establishment of landscaping on Lots and Parcels pursuant to specific timetables. Subject to the provisions of Section 11.2 of this Article, the decision of the Design Review Committee shall be final on all matters submitted to it pursuant to this Declaration.

Section 11.2. Appeal. Any Owner or other Resident aggrieved by a decision of the Design Review Committee may appeal the decision to the Board in accordance with procedures to be established by the Board. Such procedures would include the requirement that the appellant has modified the requested action or has new information which would in the Board's opinion warrant a reconsideration. If the Board fails to allow an appeal or if the Board, after appeal, again rules in a manner aggrieving the appellant, the decision of the Board is final.

Section 11.3. Fee. The Design Review Committee may establish a reasonable processing fee to defer the costs of the Association in considering any requests for approvals submitted to it, which fee shall be paid at the time the request for approval is submitted. The Design Review Committee may employ an architect and other design professionals and the fees for such services shall be included in review fees.

Section 11.4. Appointment of Design Review Committee Members. Design Review Committee members are appointed by the Declarant and may be replaced at the discretion of the Declarant. Declarant's right to appoint Design Review Committee members shall cease and the Board shall be vested with that right and all other rights of the Declarant pertaining to the Design Review Committee as stated in this Article XI, at such time Declarant no longer owns any property at Sycamore Canyon, or when such right is expressly relinquished by Declarant to the Board in writing, whichever condition occurs first.

2014-01-01

Section 11.5. Non-Liability for Approval of Plans. Plans and specifications shall be approved by the Design Review Committee as to style, exterior design, appearance and location, but the Design Review Committee takes no responsibility for engineering design or for compliance with zoning and building ordinances, and by approving any member thereof, the Association, any Member, the Board, nor the Declarant assumes any liability or responsibility therefor, or for any defect in any structure constructed from such plans and specifications. Neither the Design Review Committee, any member thereof, the Association, the Board nor the Declarant shall be liable to any Owner or other person for any damage, loss or prejudice suffered or claimed on account of (a) the approval or disapproval of any plans, drawings and specifications, whether or not defective, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, or (c) the development, or manner of development, of any property within Sycamore Canyon. Approval of plans and specifications by the Design Review Committee is not, and shall not be deemed to be, a representation or warranty, whether express or implied, that said plans or specifications comply with applicable governmental ordinances or regulations including, without limitation, zoning ordinances and building codes, and industry standards for design or construction.

ARTICLE XII RIGHTS AND POWERS OF ASSOCIATION

Section 12.1. Association's Rights and Powers as Set Forth in Articles and Bylaws. In addition to the rights and powers of the Association set forth in this Declaration, the Association shall have such rights and powers as are set forth in its Articles and Bylaws or as provided by Arizona common law or statute. Such rights and powers, subject to the approval thereof by any agencies or institutions deemed necessary by Declarant, may encompass any and all things which a natural person could do or which now or hereafter may be authorized by law, provided such Articles and Bylaws are not inconsistent with the provisions of this Declaration and are necessary, desirable or convenient for effectuating the purposes set forth in this Declaration. After incorporation of the Association, a copy of the Articles and Bylaws of the Association shall be available for inspection at the office of the Association during reasonable business hours. In addition to all other rights and remedies granted to the Association by this Declaration, the Association shall have the power to impose reasonable fines against an Owner for any violation of this Declaration or the Sycamore Canyon Rules by the

Owner, a Lessee or Tenant of the Owner or by any Resident or occupant of the Owner's Lot or Parcel.

Section 12.2. Association's Rights of Enforcement of Provisions of This and Other Instruments. The Association, as the agent and representative of the Owners, shall have the right, at its option, to enforce the covenants set forth in this Declaration and/or any and all covenants, restrictions, reservations, charges, servitudes, assessments, conditions, liens or easements provided for in any contract, deed, declaration or other instrument which (a) shall have been executed pursuant to, or subject to, the provisions of this Declaration, or (b) otherwise shall indicate that the provisions of such instrument were intended to be enforced by the Association or by Declarant.

Section 12.3. Contracts with Others for Performance of Association's Duties. Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Declarant and its affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more directors or officers of the Association or members of any committee are employed by or otherwise connected with Declarant or its affiliates, provided that the fact of such interest shall be disclosed or known to the other directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such director, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which he is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by the Declarant, its affiliated companies or any competitor thereof and may vote thereat to authorize any such contract, transaction or approval with like force and effect as if he were not so interested.

Section 12.4. Change of Use of Association Land and Procedure Therefor. Upon (a) adoption of a resolution by the Board stating that in the Board's opinion the then present use of a designated part of the Common Areas is no longer in the best interests of the Owners and Residents and (b) the approval of such resolution by a majority of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for such purpose, the Board shall have the power and right to change the use thereof (and in connection therewith, construct, reconstruct, alter or change the buildings, structures and other Improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided such new use (i) shall be for the benefit of the Owners and Residents, and (ii) shall be consistent with any deed restrictions, (or zoning regulations), or applicable Tract Declaration.

ARTICLE XIII
ANNEXATION OF ADDITIONAL PROPERTY

Section 13.1. Annexation without Approval. All or any part of the Additional Property may be annexed to the Covered Property and become subject to this Declaration and subject to the jurisdiction of the Association without the approval, assent or vote of the Association or its Members, by the execution and Recording of a Supplemental Declaration by Declarant or its successors and assigns describing the part of the Additional Property to be annexed. No Supplemental Declaration shall be so executed and Recorded pursuant to this Section more than fifteen (15) years after the later of: (i) the Recording of this Declaration or (ii) the last Recording of a Supplemental Declaration. Thereafter, or at such earlier time that the Declarant no longer owns any part of the Covered Property or the Additional Property, the Association shall have the right to annex and subject to this Declaration all or any part of the Additional Property by executing and Recording a Supplemental Declaration. The Recording of said Supplemental Declaration shall constitute and effectuate the annexation of said portion of the Additional Property described therein, making said real property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter said property shall be part of the Covered property and all of the Owners of Lots or Parcels in said property shall automatically be Members of the Association. Although Declarant or its successors and assigns or the Association shall have the ability to so annex all or any portion of the Additional property, neither Declarant nor its successors and assigns or the Association shall be obligated to annex all or any portion of such Additional Property and such Additional Property shall not become subject to this Declaration unless and until a Supplemental Declaration shall have been so executed and Recorded.

Section 13.2. Supplemental Declarations. Any Supplemental Declaration may contain such complementary additions and modification of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the Additional Property so annexed and as are not inconsistent with the plan of this Declaration. In no event, however, shall any such Supplemental Declaration, revoke or modify the covenants established by this Declaration within the existing Covered Property.

ARTICLE XIV
TERM; AMENDMENTS; TERMINATION

Section 14.1. Term; Method of Termination. This Declaration shall be effective upon the date of Recording hereof and, as

amended from time to time, shall continue in full force and effect for a term of thirty (30) years from the date this Declaration is Recorded. From and after said date, this Declaration, as amended, shall be automatically extended for successive periods of ten (10) years each unless there is an affirmative vote to terminate this Declaration by the then Members casting ninety (90%) of the total votes cast at an election held for such purpose in person or by proxy within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension. The Declaration may likewise be terminated at any time if ninety percent (90%) of the votes cast by each class of Members shall be cast in favor of termination at an election held for such purpose. If the necessary votes and consents are obtained, the Board shall cause to be Recorded with the County Recorder of Pima County, Arizona, a Certificate of Termination, duly signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association, with their signatures acknowledged. Thereupon this Declaration and the covenants contained herein shall have no further force and effect, and the Association shall be dissolved pursuant to the terms set forth in its Articles.

Section 14.2. Amendments. This Declaration may be amended by Recording with the County Recorder of Pima County, Arizona, a Certificate of Amendment, duly signed and acknowledged as required of a Certificate of Termination in Section 14.1 of this Article. The Certificate of Amendment shall set forth in full the amendment adopted, and, except as provided in Section 14.3 of this Article, shall certify that at an election duly called and held pursuant to the provisions of the Articles and Bylaws the Members casting seventy-five percent (75%) of the votes of the Members voted affirmatively either in person or by proxy for the adoption of the amendment at a duly called meeting; provided, however, after twenty (20) years from the date of the Recording of this Declaration, the affirmative vote of Members casting only seventy-five percent (75%) of the votes of the Members at a duly called meeting shall be necessary to amend this Declaration. A Tract Declaration may be amended with (i) the approval of the Board; (ii) the approval of the Declarant as long as the Declarant owns any property in Sycamore Canyon; and (iii) the affirmative vote of at least seventy-five percent (75%) of the Class A Members who own a Lot or Parcel within the affected Tract, and are entitled to vote. Notwithstanding the foregoing to the contrary, (i) all amendments must be approved by the Board, and (ii) all amendment to the Article VIII, Section 8.3 affecting lienholder priority must be approved by the holders of any and all first mortgages and deeds of trust affected thereby.

Section 14.3. Right of Amendment if Requested by Governmental Agency or Federally Chartered Lending Institutions. Anything in this Article to the contrary notwithstanding, Declarant so long as the Declarant owns any Lot or Parcel, and

thereafter, the Board, may amend all or any part of this Declaration to such an extent and with such language as may be requested by the Federal Housing Administration ("FHA") or the Veterans Administration ("VA") and to further amend t the extent requested by any other federal, state or local government agency which requests such an amendment as a condition precedent to such agency's approval of this Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot(s) or Parcel(s) or portions thereof. Any such amendment shall be effected by the Recording, by Declarant, if made by the Declarant, or by the Board if made by the Board, of a Certificate of Amendment, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. The Recording of such a Certificate shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Certificate, when Recorded, shall be binding upon all of the Covered Property and all persons having an interest therein.

Section 14.4. Declarant Approval. So long as the Declarant owns any Lot or Parcel, or any part of the Additional Property, any amendment of this Declaration must be approved in writing by the Declarant.

ARTICLE XV GENERAL PROVISIONS

Section 15.1. Interpretation of the Declaration. The Association, by its Board, shall have the exclusive right to construe and interpret the provisions of this Declaration. The Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all persons and property benefited or bound by the Declaration and provisions hereof.

Section 15.2. Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

Section 15.3. Rule Against Perpetuities. If any interest purported to be created by this Declaration is challenged under the Rule Against perpetuities or any related rule, the interest shall be construed as becoming void and of no effect as of the end of the applicable period of perpetuities computed from the date when the period of perpetuities starts to run on the challenged interest; the "lives in being" for computing the

period of perpetuities shall be (a) those which would be used in determining the validity of the challenged interest, plus (b) those of the issue of the Board who are living at the time the period of perpetuities starts to run on the challenged interest.

Section 15.4. Change of Circumstances. Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

Section 15.5. Rules and Regulations. In addition to the right to adopt rules and regulations on the matters expressly mentioned elsewhere in this Declaration, the Association shall have the right to adopt rules and regulations with respect to all other aspects of the Association's rights, activities and duties, provided said rules and regulations are not inconsistent with the provisions of this Declaration.

Section 15.6. Declarant's Disclaimer of Representations. Anything to the contrary in this Declaration notwithstanding, and except as otherwise may be expressly set forth on a Recorded plat or other instrument Recorded in the office of the County Recorder of Pima County, Arizona, Declarant makes no warranties or representations whatsoever that the plans presently envisioned for the complete development of Sycamore Canyon can or will be carried out, or that any land now owned or hereafter acquired by it is or will be subjected to this Declaration, or that any such land (whether or not it has been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or that if such land is once used for a particular use, such use will continue in effect.

Section 15.7. References to the Covenants in Deeds. Deeds to and instruments affecting any Lot or Parcel or any part of the Covered Property may contain the covenants herein set forth by reference to this Declaration; but regardless of whether any such reference is made in any Deed or instrument, each and all of the covenants shall be binding upon the grantee-Owner or other person claiming through any instrument and his heirs, executors, administrators, successors and assigns.

Section 15.8. Successors and Assigns of Declarant. Any reference in this Declaration to Declarant shall include any successors or assignees of Declarant's rights and powers hereunder.

Section 15.9. Gender and Number. Wherever the context of this Declaration so requires, words used in the masculine gender shall include the feminine and neuter genders; words used in the neuter gender shall include the masculine and feminine genders;

words in the singular shall include the plural; and words in the plural shall include the singular.

Section 15.10. Captions and Titles. All captions, titles or headings of the Articles and Sections in this Declaration are for the purpose of reference and convenience only and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent or context thereof.

Section 15.11. Notices. If notice of any action or proposed action by the Board or any committee or of any meeting is required by applicable law, this Declaration or resolution of the Board to be given to any Owner or Resident then, unless otherwise specified herein or in the resolution of the Board, such notice requirement shall be deemed satisfied if notice of such action or meeting is published once in any newspaper in general circulation within Pima County or Sycamore Canyon. This Section shall not be construed to require that any notice be given if not otherwise required and shall not prohibit satisfaction of any notice requirement in any other manner.

Section 15.12. FHA/VA Approval. If this Declaration has been initially approved by the FHA or the VA in connection with any loan programs made available by FHA or VA and any loans have been made which are insured or guaranteed by FHA or VA, then as long as there is a Class B Membership, the following actions will require the prior approval of the FHA or the VA, as applicable, unless the need for such approval has been waived by FHA or VA: dedications of Common Areas (except where such dedication is required as of the date hereof to Pima County); annexation of Additional Property and amendment of this Declaration.

Section 15.13. Conveyance or Encumbrances of Association Land. The Association Land shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of the Class B Membership and the affirmative vote or written consent of the Owners representing at least two-thirds (2/3) of the votes in Class A Membership.

Section 15.14. Attorney's Fees. In addition to any other remedies set forth in this Declaration regarding costs and attorney's fees, in the event the Association employs an attorney to enforce any lien granted to it under the terms of this Declaration or to collect any Assessments or other amounts due from an Owner or to enforce compliance with or recover damages for any violation or noncompliance with the Declaration, Articles, Bylaws, Sycamore Canyon Rules, Association Rules, or Design Guidelines, the offending Owner or other person or entity shall pay to the Association, upon demand, all attorney fees and court costs incurred by the Association, whether or not suit is

filed, which fees and costs shall be secured by the Assessment Lien.
