

Sycamore Canyon News

FOR THE ASSOCIATION

PARK

Instead of blocking off the **entire** climbing structure, the slide and stepping-stones have been removed and blocked off. The playground equipment company is looking for parts that can be retrofitted to our current play structure.

POOL

Pima County was called out to repair a main water leak to the pool.

Reminder: the pool is not currently heated and the hot tub will only be heated through December.

LANDSCAPING

In December, Points West will be clearing out the retention basins/washes in the community.

The irrigation systems around the community have been repaired.

HOLIDAY LIGHTS CONTEST

The Events Committee is awarding \$50 CASH to the best-decorated house. E-mail a picture of your light display to SycamoreCanyon.Events@gmail.com (please include your address) by 10pm on Sunday, December 11. We will post them on Facebook and the house with the most "likes" wins!

HOA know-how

Trash pick-up

The HOA has contracted with Republic services to pick up the trash in the community. Currently, trash pick-up day is Thursday, but with the holidays approaching, please remember that weeks with holidays push our trash collection back one day.

For a calendar of pick-up days, visit <https://www.republicservices.com/schedule> and enter your address.

IN CORONA

Boy Scout Troop 770 has set up their yearly Christmas tree lot at the American Legion Post 109. If you enjoy a real tree for your holiday season, consider checking out their selection!

Jazzercise, a combination of aerobic exercise, HIIT cardio, and dance fitness (effective for all ages and fitness levels) is coming to Danzone. Classes are currently scheduled for Wednesdays and Fridays at 8:30am. Contact Linda at 520-405-1356 for more information.

For those new to the area, check out the Winterhaven Festival of Lights for some over-the-top light displays.

ON OUR TO-DO LIST

Upcoming maintenance projects include:

- Replacing neighborhood signs around the community
- Repairing the pool bathroom after repeated vandalism-delayed to fit handyman's schedule.
- Repairing and repainting basin fencing-delayed until room in budget
