

Sycamore Canyon News

NOW *THIS* FEELS LIKE HOME

PARK

We are waiting for board approval to replenish the wood chips around the play structure.

POOL

Card readers are being installed on the pool gates.

We will be distributing new key cards for the pool (and bathrooms) in January.

The bathrooms are being repaired the beginning of January.

LANDSCAPING

In December, the landscaping crew will be finishing clearing the view fencing around Sycamore Canyon and then addressing the neighborhoods on a case-by-case basis.

The grass at the park will be available for use on December 7.

EVENTS COMMITTEE NOTES

Holiday Lights contest

Submit a picture of your decorated home (including your address) to SycamoreCanyon.Events@gmail.com by Monday, December 11 at 9pm. We will post all entries on Facebook and the house with the most “likes” by Thursday, December 21 (at 9pm) will win \$50!

Let's light it up (and maybe earn a prize)!

HOA KNOW-HOW

Parking

With the holiday season comes guests! When possible, encourage guests to park in your driveway. As a reminder, RV's are not allowed to remain parked on the streets (you may, of course, temporarily load and unload in front of your home).

If residents would like to increase the size of the driveway to accommodate more parking, we encourage them to fill out and submit a [DMR](#) form (*before* having work done). Pavers or an expanded driveway *may* be solutions to your parking problem!

IN YOUR NEIGHBORHOOD

Around Corona de Tucson

- Boy Scout Troop 770 is selling trees and greenery at Legion Post 109. Check them out M-Th 4-8pm, Friday 4-10pm, Saturday 8am-10pm, and Sunday 10-6.
- It seems Corona is a popular spot for people to abandon dogs. While it is heartbreaking, the community comes together to retrieve those animals and either reunite them or find them loving homes. Please consider spaying and neutering your pets, getting them microchipped, and always remember to follow [Pima County leash laws](#).

Holiday Schedules

Check the [Republic Services website](#) for an up-to-date schedule for Christmas week.

Management will be unavailable
December 22-Jan 2.

Enjoy your holidays!

CCMC To-Do list

1. Finish installation of new pool card readers
2. Bathroom repair (**approved, will begin after Block Party early January**)
3. Repair the lighting on the monument sign (**electrician scheduled to replace timer**)
4. Repaint the ramada at the park
5. Request quotes for new pool furniture (**have one quote, waiting for two others**)
6. Replace postal locker for Block B (**info about keys forthcoming**)
7. Repair picnic tables at park.
